## Little Bugs Camp

- Director: Darren Green

### 2019 Camp Overview Notes from the directors:

The theme for Little Bugs this year (2019) was "The Fruit of the Spirit." As I like to do with my camps, I tried to base all events and messages around that theme. The teams were Apples, Oranges, Grapes, Limes, Bananas, and Blueberries. They were able to make the teams even so we had 6 teams with 11 campers each for a total of 66 campers.

Our speaker for the chapel services was Bonnie Heidner. She talked about getting letters and different kinds of letters that we get. Depending on how well we know the person we might get longer or shorter letters and more or less personal letters. Then she talked about Paul and his letters to the different churches. She later went over the Fruit of the Spirit from Paul's letter to the Galatians and explained to the kids the different types of fruit that are produced when we have the Spirit of God.

# Teen Camp

Director: Justin Wheadon

During this week, we had about 60 campers that God has brought to EMBC. The missionary's, the Brown's, taught about the things that they did in the mission's field including aviation and some hands-on projects such as scraping a coconut. Tim also used a flying simulator for some of the camper to see what flying was like. The worship leader got the campers moving and interacted with them during worship times and they took time to build relations with the campers. Seeing this team interact with the campers was a wonderful thing. Finally, the speaker, Ron Dazel, taught a series on "Stop, Drop, and Roll". He talked about making time for Christ, the importance of taking off your mask and being real with someone you trust, and the power of the resurrection. His final message was an illustration of keeping the fire burning and living for Christ. Great messages and the campers interacted with him throughout the week. I saw the campers spending time in God's Word in their free time!!

IT WAS THE BEST WEEK EVER!!! Just ask the staff!! (It was the slogan throughout the week).

# Jr High Camp

Director: Pastor Bruce Inion

This was a tremendously blessed week, with numerous decisions made for Christ and 10 baptisms. The theme of the week was Jesus my Forever Friend (#JFF), with Pastor Charlie from the Alliance Church in Scobey, Montana. I thoroughly love his gracious servant's heart and his ability to speak openly and honestly about the issues and decisions one must make in battling the consequences of sin. His wealth of wisdom and experiences gives him the ability to provide a unique insight into Jr. Highers' lives that we don't often see because we are too often trying to entertain and distract them rather than engaging them in honest dialogue. To me this was refreshing and enjoyable. Pastor Charlie was very interactive with the kids and extended his pastoral heart well beyond the pulpit. Every aspect of the ministry of the camp and counselors, staff, speaker and missionaries brought about a positive, salubrious conclusion to the week. And the spiritual emphasis to all phases of ministry was evident. I am proud to have been a part of this great crew. They were a joy to work with.

# Junior Camp

Director: Ben Baker

Theme: Choose Life: Cause you ooze what you Choose

Speaker: Michael Laird We had around 108 campers 70 some young ladies and 30 some young men. As I write this, I did not see response forms but it was clear students made decisions choosing to seek God on their journey knowing that they ooze what they choose.

**We are blessed with amazing staff!**

We could not do camp without our amazing volunteers! A big thank you to those of you that are counselors, CIT's, SAMS, and the staff. It takes all of you to make our camp work. We love and appreciate you so much.

# Pioneer Camp

Director: Mandy Belmont

The week's theme was "The Glory of God." The main verse was Psalm 19:1 "The heavens declare the glory of God and the skies proclaim the works of his hands." We switched up the schedule on them a little and had the speaker, Ms. Claire Coyne, speak first for about 15 minutes, and then they went into 15-20 minutes of songs with actions with Daniel Chausse and his team of musical staff. We also had half an hour of solitude with God each day, and I was pleasantly surprised by how well the 3rd and 4th graders did with this. I was not sure how this would go, but it was such a joy to observe them all over camp generally sitting and reading their bibles.
