Thank You Friends of EMBC

Each year we wonder how we are ever going to get everything done before camp season begins. This year we were so grateful to welcome some snowbirds home and have our RV friends Marco and Teresa Unruh and Bob and Sheri Smith show up and help get the campgrounds ready for the arrival of our camper kids in June. They had the grounds looking great. The kitchen help was much appreciated. Thank you so much to these couples.

Thank you
and God bless you!

Monday Workdays

With harvest drawing close to an end, we are going to start having Monday Workdays. We'd really like to get the new girls bunkhouse completed. If you are willing and able to come to help out, please come and bring a friend. Fellowship is a great part of workdays! All skill levels are welcome. We will start November 26th and gather every Monday through December 17th, then take a break until January 7th and working Mondays through February 25th. It will be decided later if it will continue into March. Give Larry a call if you have any questions. He would be glad to provide you any further information. 406-480-5498. Info will also be available on facebook or the webpage www.embcamp.org.

Volunteers

Do you wish there was a way to use your God-given talent to serve EMBC? Are you looking for a way to give back to a camp that has a special place in your heart? Or maybe get to see a new area or camp? Perhaps you need something to do in June or maybe longer?

Eastern Montana Bible Camp is grateful to host volunteers who desire to offer their time and talent so EMBC can continue to be used by God to impact the lives of youth, adults, and families year after year. We have a wide variety of on-going projects that need volunteers to bring them to completion. From manual labor, lawn mowing, light fix-it projects and helping in the kitchen. We love connecting our volunteers to their individual ministry here at EMBC. Volunteering as a family, individual, or group is a special gift that develops purpose, builds relationships, and creates fellowship. Our volunteers are welcome to stay onsite in their own RVs and will work under the leadership of our camp manager and/or assistant in the area of their expertise.

If you would like to be a part of EMBC's ministry in this unique way, please contact Larry Albertson for a volunteer application so we can get to know you and connect you to EMBC! Thank you for your heart of service!

Higher Challenge! What is it?

June 1-2, 2018, kicked off the trial of Higher Challenge at EMBC. The vision for the camp was to invite young adults for an intense weekend of Bible training with a variety of speakers from the area. There were a total of 16 attendees, ages 18-30. Five speakers brought different messages to challenge and encourage the group. A few of the attendees have included their takeaways from Higher Challenge.

Higher Challenge was a fantastic start to my summer. After a pretty rough, yet growing, year away from home, I wasn't sure what to expect when I came back home for the summer. This event kickstarted my spiritual growth journey that I began this last summer and am still continuing on and it's been amazing. The best part about it was getting to form new relationships as well as strengthen existing ones. It also provided a laid back, pre-camp season gathering for young adults to fellowship and worship together before all the craziness started. -Brendan

It was a great weekend, packed with challenging Bible-centered discussion that can be applied to everyday life. Loved spending time with the teachers, the camp staff, and other people my age who are all striving to follow Christ. -Jenae

Higher Challenge was a great opportunity to see my old camp friends again before we left for college. It's nice being able to continue going to EMBC after graduating high school. It is a wonderful way to learn and study God's word in such great company. -Sophie

I loved Higher Challenge because I was able to see my camp friends and fellowship with people that wanted something more than just a fun camp experience. We were able to dive deeper into our topics and discussions, while still enjoying being at EMBC. Overall a great experience, and I can't wait to go again. -Ellie

I really enjoyed higher challenge. I specifically enjoyed getting to interact with some of these kids I've known for a long time on a deeper level. Higher challenge is filling a gap in discipleship that I think these kids, that have reached a point of salvation previously, can uniquely get out of higher challenge vs. a week of camp. Smaller numbers and a more open time schedule fostered that in my opinion. Hope it continues and grows. -Ron

Higher challenge was a great weekend to focus on God and receive some great teaching. It was also great to hang out with great friends at a place that's special to a lot of us. -Josiah
